# D4L

The Dictionary 4 Life

The Rotary Dictionary4Life (D4L) Literacy Project:  
[www.dictionary4life.com](http://www.dictionary4life.com)

Over one million dictionaries have been presented mainly to year 6 primary school children as a personal aid to improve their literacy. Your club may already have done so in the past.

The Rotary D4L project uses a bespoke edition of the Usborne Illustrated Dictionary comprising 1000 illustrations, 10,000 entries and 20,000 definitions in full colour. The Rotary price is £3.80 a copy including delivery with a minimum order of 32 copies. The book has a space for the child's name on the flyleaf in a Rotary information panel, an autograph page for the child's classmates and a space for a club 'name' sticker.

The project is a positive way to help your local primary school pupils but also promote your Rotary Club in your community.

It is a highly visible promotion for Rotary and your club with your addition of a club sticker in the space provided.

## LATE REQUESTS FOR DICTIONARIES

The print run order in excess of 50,000 books is placed in January for delivery the following June. There is always a small planned overrun which amounts to perhaps 2000 copies. These are available to meet emergencies and a limited amount of late orders.

If you need books after 15th December deadline, of course I am happy to supply if I have the stock available. Send an email with full information of name and delivery address, phone and email contact details and quantity required (carton of 8) to [pdgcb@dictionary4life.com](mailto:pdgcb@dictionary4life.com)

When you receive confirmation that the stock is available, send a hard mail copy together with your cheque payable to 'Dictionary4Life' to:

**PDG Colin Bryant MBE**

**London SW16 2UN**
